The NDB Nevada Kids Silver + Adult plan is the same plan design as the NDB Nevada Kids Silver + Adult plan that is now on Nevada Health Link until December 31, 2016. However, please note that the NDB plan which is available off of Nevada Health Link and healthcare.gov is not a "certified" standalone dental plan and will not meet the "reasonable assurance" standard that your current coverage meets. If you would like to purchase a "certified" plan for children's dental benefits, you may shop at Nevada Health Link through healthcare.gov. Please feel free to contact NDB or your enrollment assister for further explanation at (702) 478-2014 or (866) 998-3944.
